

St. Vincent de Paul St. Matthew Conference

2016 has been a busy year! Each month on average we have provided food assistance for 677 families, distributed 595 lunches to the homeless, helped 43 families with rent and utility assistance, delivered furniture to 12 families in need, and showed Christ's mercy and love to everyone who walked into the Hertel Center.

We couldn't do this without the support of St. Matthew Parish. As our services continue to grow, so do the types of people and skills needed. Please review our needs and see if the Holy Spirit is calling you to help bring the love of Christ to the needy and forgotten in our area.
